Miramar, Florida (October 28, 2010) – Spirit Airlines today announced that it will begin non-stop service from Latrobe, Pennsylvania to Fort Lauderdale, Florida and Myrtle Beach, South Carolina.

The ultra low cost carrier will begin four non-stop flights per week between Latrobe’s Arnold Palmer Regional and Fort Lauderdale-Hollywood International Airport on February 12, 2011.

In addition, starting on May 5, 2011, Spirit will seasonally operate four non-stop flights per week between Latrobe and Myrtle Beach.

To celebrate, Spirit is offering \$9 introductory fares* (each way based on round trip purchase) available today and tomorrow only at www.spiritair.com.

“This is an opportunity for over one million people in Southwestern Pennsylvania to access Spirit’s great low fare service and all the benefits that it has to offer,” said Gabe Monzo, Executive Director Westmoreland County Airport Authority. “Along with that, our long standing tradition of ease and convenience – capped off with free parking – creates a partnership with Spirit Airlines that we can all be proud of.”

“I am delighted that Spirit Airlines has chosen our airport to inaugurate its new services to Fort Lauderdale next February and later to Myrtle Beach,” said golf legend and Latrobe native Arnold Palmer, a long-time member of the Westmoreland County Airport Authority which operates the airport that bears his name. “This is great news for air travelers from a wide area of Western Pennsylvania and gets us back into regular airline service with a highly-regarded, low-cost carrier.”
